CARRIER AND OLEFIN POLYMERIZATION
CATALYST COMPONENTS MADE FROM
THE SAME

Examiner: J. M. Brown

REQUEST FOR REVISED NOTICE OF ALLOWABILITY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A Notice of Allowance issued with respect to the referenced patent application on April 8, 2004. In reviewing the Notice of Allowability, the undersigned believes that an error was made in Paragraph 4. Specifically, the paragraph indicates that none of the certified copies of the priority document have been received. In fact, a certified copy was filed on September 19, 2001, and the filing receipt which issued in October 2001 recognizes the priority claim. Accordingly, it is believed that Paragraph 4 of the Notice of Allowability should indicate that all certified copies have been received.
